Hello Christie,

Did this ever make it over to the property manager? I have not heard from anyone. I also sent a copy via official mail, with USPS priority and the tracking information showed it was delivered.

Can you please let me know why there has been no communication?

Thanks,

Subject: FORMAL DISPUTE of Charges & Request for Records - Summerhill Association Inc. - Unit 222 - Gerald Jackson

Dear Gassen Management Support Team,

Please find attached a formal letter addressed to the Summerhill Association Inc. Board of Directors, submitted via Gassen Management as the managing agent.

This letter details specific disputes regarding recent charges applied to my account for **Unit 222 (8031 Xerxes Ave S, Bloomington, MN 55431)**, as well as reiterating outstanding requests for essential Association records.

The attached letter outlines critical issues concerning:

1. The improper $1,585.00 emergency call fee charged on April 21, 2025, following a "No Heat" emergency on February 14, 2025.
2. Disputed charges related to the physical repair of the heating pipe associated with the February 14th incident.
3. The handling of consequential interior unit damage resulting from the pipe failure.
4. Outstanding requests for access to specific Association records, including the Gassen management contract and detailed balcony project financials.

As the managing agent for Summerhill Association Inc., I request that Gassen Management:

1. **Formally log receipt** of this email and the attached dispute letter.
2. Ensure this communication and the attached letter are **promptly directed to the Summerhill Association Inc. Board of Directors** (Pat Becker, Doug Kojetin, Morgan Nelson, Carolina Salazar-Torres) for their review and formal response.
3. **Acknowledge receipt** of this email and the attached letter via reply to this email address (geraldjacksonjr@protonmail.com).

The attached letter contains the full details, supporting documentation references, relevant sections of the governing documents, and the specific resolutions requested from the Association, including the timeframe expected for a formal response.

Thank you for your assistance in processing this formal communication.

Sincerely,

Gerald Jackson
