Re: Covered Services through MetLife and Non-Covered Services with Hourly Fee Representation

Dear Mr. Jackson:

This letter is effective as of July 17, 2025, and states our agreement regarding the legal services Lefky Law Firm, LLC ("the Firm") will provide to you. Should you find its terms acceptable, please sign on the last page and return the original to the Firm with the retainer fee referenced below.

1. Scope of Services. You have hired the Firm to provide legal advice, counsel, and assistance in connection with the condominium you own at 8031 Xerxes Ave South #222, Bloomington, MN 55431. Your insurance coverage through MetLife is limited to providing you with a demand letter ("Covered Service"). It does **not** include me performing various research, litigation, settlement negotiations, or costs related to litigation or settlement, filing fees, service of process, collections, or appeals ("Non-Covered Services"). You agree that the Firm will not give you legal advice on tax issues and that you will obtain advice on those matters from an accountant, CPA, or attorney who specializes in tax matters. You also agree that you will pay the Firm for all Non-Covered Services including applicable hourly fees for work performed, and costs, disbursements, and expenses incurred as part of your case.

2. The Firm's Obligations. We will not begin work on your case until we receive the signed fee agreement and the retainer fee. Upon proceeding with your case, the Firm will keep you informed of all developments and will send you copies of important letters and documents concerning your case. The Firm will give you advice in advance if you have important decisions to make, will explain the legal issues involved, and counsel you as to your options. The Firm will work hard on your case and represent you competently.

3. Your Obligations. The Firm will expect you to work on your case, to answer the Firm's calls and letters, and to supply the Firm with complete and accurate information. The Firm will also expect you to make timely payment of retainers, fees, and costs, disbursements, and expenses described herein and to cooperate with all reasonable requests.

4. Retainer. This representation requires that you pay the Firm an initial retainer fee of $1,500.00 once you have utilized the Covered Services amount and proceed with "Non-Covered Services." This retainer fee will be deposited in the Firm's trust account. We will bill against the retainer as fees are

expended or on a monthly basis at our discretion, but funds will not be withdrawn prior to sending you an invoice. You also agree to replenish the retainer after each invoice or less frequently, as requested, so that the balance remains at $2,500.00. You acknowledge that the retainer fee is not an estimate of total costs in your case, but merely an advance for security. Upon completion of the representation, any excess will be refunded to you.

5. Legal Fees. The Firm's hourly fees for Non-Covered Services are as follows:

- Supervising Attorney: $375/ hour.
- Associate Attorneys: $295/ hour.
- Paralegals: $185/ hour.
- Legal Assistants: $125/ hour.

The Associates, Paralegals, and Legal Assistants employed by the Firm may change from time to time. Hourly rates may vary based on experience. The hourly rates for lawyers may change. However, the Firm will give you written notice 30 days prior to any changes in the hourly rates.

6. Costs, Disbursements and Expenses. We will log all billable, costs, disbursements, and expenses devoted to your case. Costs, disbursements, and expenses commonly include court or document filing fees, conference call charges, administrative costs for messenger and other delivery fees, postage, photocopying and other reproduction costs, travel costs including parking and other similar items. Out-of-pocket expenses are billed separately as pass-thru expenses.

7. Billing. Should your case proceed beyond the Covered Services, the Firm will inform you in writing and will send you a statement for Non-Covered legal services and expenses approximately once a month or sooner depending on where we are in the case. Your bill is due upon receipt. You agree that if any part of a bill remains unpaid for more than 30 days, interest will be paid at the rate of 1.5% per month of the unpaid balance. You agree to pay all expenses incurred by the Firm to enforce this Agreement, including but not limited to reasonable attorneys' fees and related costs, disbursements, and expenses. If you have any questions concerning a bill, you agree to notify the Firm immediately so that any discrepancies can be resolved.

8. Termination and Withdrawal. You have the right to terminate the Firm's services and this Agreement at any time. You will, however, still owe the Firm any Non-Covered Services for hourly fees and expenses that you have been charged but have not yet paid. The Firm has the right to withdraw from representing you if:

a) you do not pay any statement on time;

b) you insist upon pursuing an objective that is imprudent;

c) you make the firm's representation unreasonably difficult or unethical;

d) you fail to disclose information after being asked to do so or disclose false information; or

e) other good cause for withdrawal exists.

The Firm does not give up the right to withdraw even where the Firm continues to represent you after non-payment or other event permitting withdrawal.

9. No Guarantees. It is agreed that the Firm has made no guarantees concerning the outcome in this matter. It is also agreed that you are obligated to pay fees and costs, disbursements, and expenses regardless of the outcome of your case.

10. Dispute Resolution. The parties have agreed that any dispute between the Firm and you which arises under this Agreement or in connection with the Firm's representation of you shall be venued in Hennepin County District Court, State of Minnesota. This Agreement shall be interpreted and enforced under the laws of the State of Minnesota.

11. File Retention and Destruction. After the representation concludes, we will return any original documents to you and keep only an electronic copy of your file. Files are stored electronically and will be kept for six (6) years following the completion of your case or termination of the Firm's representation, whichever occurs earlier. Your file may be destroyed by the Firm after this six-year period, and you agree that this destruction may happen without further notice to you. Prior to your file's destruction, you have the right to request a copy of your file, which will be provided to you in electronic form.

Yours truly,

LEFKY LAW FIRM, LLC
