I'm working remotely, but don't see any phone message.

We take checks payable to the Association, as stated in the letter. Sorry, we cannot do a pay online for you or take a credit card payment from you.

We understand late charges apply if there is an outstanding balance owed. In other words, even if you pay the amount that is due for a monthly assessment in an otherwise timely manner, if there still is an outstanding balance, like charges for the special assessment, maintenance billing, past fees/costs, a late charge will apply.

We also understand payments are applied to the account, not a specific component.

> You don't often get email from geraldjacksonjr@protonmail.com. Learn why this is important

Hello,

I have been trying to make my monthly due payment in the amount of $596.00 through the online portal with no success. I contacted Gassen support and they told me that to make my monthly HOA assessment, I need to contact your office. I called and left a voicemail earlier, and I've been trying to make this month's payment but I am not able to. My payment for this month is not yet late, and I would like to make the payment today to avoid late charges. I would like to use the web portal provided to me as I normally would, as it already has my saved payment information. Please see that the portal is opened back up so I may make my monthly payment for August.

Thanks for you time,

Gerald Jackson.
