Hi Gerald,

Thank you so much for your response and information. We did not realize this information was sent in, our apologies. We will pull the letter from mailing and delete it from the file.

Best regards,

Lisa

Subject: Pet Registration

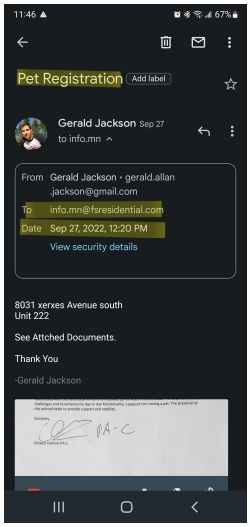
You don't often get email from gerald.allan.jackson@gmail.com. Learn why this is important

Hi Lisa,

As you can see in the attachment I've already sent in all my paper work from the Doctor as well as the Pet Registration Form on September 27th.

It also looks like my Animal has been registered to my portal.

May I discard the incoming letter?

Thanks,


Gerald
